

OPHTHALMIC & INSTRUMENTS

Dear Customer,

Tritone Inc (Parent company Stone Instruments Co.) is a family owned & operated medical company, providing personalized service featuring the finest in surgical instrumentation since 1996. Our surgical instruments encompass the entire human anatomy including specialty products to precision instruments and devices.

Owner of Stone Instruments Co, Athar Jamil and his sons, Nabeel Athar, Hamza Athar and Raheel Athar bring with them a lifetime of experience creating the highest quality products made at our state-of-the- art in-house manufacturing facilities featuring, cutting edge robotic technology, handmade workmanship combined with an understanding how to make exactly what our valued customers have come to expect.

We thank you for the opportunity to present our portfolio!

Sincerely,

A handwritten signature in black ink, appearing to read "Athar Jamil", with a horizontal line extending to the left.

Athar Jamil
